Social skills and competences

Good result orientated leader focused on a global picture. Easily communicate with colleagues, customers and professional partners. Make benefits from problems. Have developed my clear expression and ability to listen during the whole education process as well as during my professional career and this is the key to understand how to manage in any case.

Organisational skills and competences	As a coordinator of the work of territorial branches of the public administration and management of state property and regional government reached measurable results. Worked on the development of international contacts on regional level. As an ambassador have worked on high-level contacts and development of the relations between two countries on all levels.
